Accomplishments in non-NCGA events that warrant an exemption as outlined in the policy must have been achieved while an active member of the NCGA. Each request will be

NOTE: The term “Special Circumstances” refers to a player’s individual playing performances and does not include a player’s inability to qualify due to another commitment.

***Eligibility:** All boys and girls who have not reached their 19th birthday by July 7, 2025 or started college.
