## Special Exemptions

The NCGA reserves the right to award exemptions based on special circumstances. If a player feels that it is warranted, he/she may submit a playing resume for consideration outlining their achievements in any non-NCGA event. Accomplishments in non-NCGA events that warrant an exemption as outlined in the policy must have been achieved while an active member of the NCGA. Each request will be reviewed by the NCGA Championship Committee after which the player will be notified of the decision made. All requests must be submitted to Haley Sterling prior to the entry closing date. Requests may be made via email at [hsterling@ncga.org](mailto:hsterling@ncga.org)

**NOTE:** The term "Special Circumstances" refers to a player's individual playing performances and does not include a player's inability to qualify due to another commitment.

**\*Eligibility:** All boys and girls who have not reached their 19<sup>th</sup> birthday by July 6, 2026 or started college.
